

# Get your message out the easy, effective, affordable way

**SpeakUp!™ Email Marketing by Constant Contact** helps you create high-impact, professional-looking emails—fast and with no technical expertise—and build strong, successful, and lasting relationships with your customers, clients, or members. With SpeakUp! Email Marketing, you can speak to your customers with focused, relevant communications that get powerful results.

## Easy

With more than 200 easily customized HTML email templates and our step-by-step Email Wizard, you can create high-impact, visually compelling email newsletters, promotions, announcements, and more.

## Fast

Create and send emails, manage your list, and view results in just minutes.

## Targeted

Send email communications to all or just a portion of your list, based on criteria you choose.

## Measurable

View email campaign results instantly—see click-through rates, review new subscribers, and know who opened and clicked on each link.

## Affordable

**With pricing as low as \$15 a month**, SpeakUp! Email Marketing is one of the most cost-effective ways to get your message out.

Discover why more than 100,000 small businesses, associations, and nonprofits rely on Constant Contact to better connect with their customers, clients, or members... nurture relationships... and grow their organizations.

## Combine SpeakUp! Email Marketing with ListenUp! Survey

**Ready to open the lines of communication?** When you speak with Email Marketing and listen with Survey, you'll get a better understanding of what your customers or members prefer and need, and can deliver targeted communications that are relevant and get results. **Save big with our special "bundle pricing."**

"We love being able to watch our statistics. Thanks to Constant Contact, our campaigns are easy, beautiful, and effective."
